Mr. Harold Weisberg,
Hyattstown, Maryland

My dear Mr. Weisberg,

Only recently have I had the good fortune to discover your book, "Whitewash".

I believe that I have some information that would be of interest to you.

Would you be good enough to meet with my friend and me at the Sandia Lee Motel, Mt. Airy, Md., which, according to the map is not far from your home. You may suggest another Motel or meeting place if this is not satisfactory.

There are no financial obligations

interested and we are not seeking publicity.

We will try and arrange the time to suit your convenience.

Yours very truly,

Ruth Shuety
